

## CHAPTER 5. VEHICLES, TRAFFIC AND STREETS

### SECTION 500 VEHICULAR TRAFFIC AND PARKING

500.01 Highway Traffic Regulation Act. Chapter 169 of the Minnesota Statutes, as amended, known as the Highway Traffic Regulation Act, is adopted as a traffic ordinance regulating the use of streets and is incorporated and made a part of this Code as completely as if set out in full in this Code.

500.02 Unnecessary Exhibition of Speed. No person may operate a motor vehicle with unnecessary exhibition of speed on any street or other public or private driveway, parking lot or way within the City limits. Prima facie evidence of unnecessary exhibition of speed is any of the following: (a) unreasonable squealing or screeching sounds emitted by tires; (b) the throwing of sand or gravel by tires; (c) unreasonable skid, sway or slide upon acceleration or stopping.

500.03. Load Restrictions. No truck in excess of 18,000 pounds gross weight per axle shall travel on any street within the City, unless a permit has been obtained from the Zoning Administrator or their authorized agent. The permit fee is established in Chapter 3 of this code. Said permit shall be issued subject to such restrictions and conditions as the Zoning Administrator deems appropriate, including the posting of a cash deposit or performance bond to guarantee the repair of any damages resulting use of the City roadways.

- a. Exempted vehicles. The provisions of this Section shall not apply to the following vehicles: emergency vehicles; trucks owned or operated by the City; school buses, when engaged in transporting pupils to or from school; trucks owned or operated by utility companies, when engaged in the construction or repair of utility company facilities; and refuse collection vehicles, when engaged in the collection of refuse from homes within the City, Septic pumping and repair service vehicles and well drilling and repair vehicles.

500.04. Seasonal weight restrictions. During the spring of each year, the Zoning Administrator will set a period of time, typically from March 1 to May 1, restricting the travel of vehicles in excess of 8,000 pounds gross weight per axle on any street within the City, unless a permit has been obtained from the Zoning Administrator or their authorized agent. The permit fee is established in Chapter 3 of this code. Said permit shall be issued subject to such restrictions and conditions as the Zoning Administrator deems appropriate, including the posting of a cash deposit or performance bond to guarantee the repair of any damages resulting the use of the City roadways. The dates and duration of the City's seasonal weight restrictions shall be as set by the Zoning Administrator. The only vehicles exempted from the provisions of this Section shall be those enumerated in Section 500.03.a.

The application must be in writing and the applicant must show good cause for the permit. In addition, the application must specifically describe the vehicle or vehicles, loads to be moved, particular streets for which the permit is requested and the period of time for which the permit is requested. If a permit is issued, limitations and conditions of operation of the vehicle or vehicles may be prescribed to prevent undue damage to streets. The permit must be carried in the vehicle

to which it refers and the vehicle will be open to inspection by any police officer or authorized agent of the Chief of Police.

#### 500.05 Parking Regulations.

Subd. 1. On-Street Parking. Except as expressly provided in Subd. 4 below, no person may park or leave unattended any vehicle on any public street in the City.

Subd. 2. No U Turns. No person may turn a vehicle so as to reverse its direction on a curve or hill where the vehicle cannot be seen by the driver of a vehicle within 1,000 feet approaching from either direction, or in any places designated by Council resolution as no U-turn zones.

Subd. 3. Vehicles Prohibited in Parks. No person may stop, park or operate a motorized vehicle, or ride a horse, except in compliance with the directions of a police officer, on park property or other public grounds within the City. Bicycles may be operated on park property or public lands except where signs prohibit their operation.

Subd. 4. Temporary On-Street Parking Permit. Upon request of a resident holding an event for which the resident has insufficient private parking to accommodate the expected number of guests, the Chief of Police may, but is not required to, issue a special parking permit allowing roadside parking, in designated permit parking zones subject to the following conditions:

- (a) The permit will specify the designated permit parking zone and the date and hours parking will be permitted.
- (b) Cars may be parked only in the specific area or areas designated in the permit.
- (c) Cars must at all times be parked sufficiently off the road so as to provide a lane wide enough for the unimpeded passage of emergency vehicles. If heavy snowfall or other conditions prevent off-pavement parking or otherwise make roadside parking unsafe, the Chief of Police will cancel the permit.
- (d) A resident granted a permit will post (and remove upon expiration of the parking permit) temporary signs clearly designating the permitted parking areas or provide an attendant or attendants to show guests where parking is and is not permitted, and will take all other steps required by the Chief of Police as a condition of the parking permit or that are otherwise necessary to insure that guest parking complies with the requirements of this Section 500.05.
- (e) Contractors with major construction or remodeling projects in the City may secure a monthly parking permit for a specified zone, providing that such monthly permit shall not apply to the hours for which any other permit under this subdivision is issued.

Subd. 5. 24-hour Parking. No person may leave any vehicle on any public street for a consecutive period of more than 24 hours.

Subd. 6. Prohibited Parking After Snowfall. No person may park or leave unattended any vehicle on any public street, within the designated parking zones, in the City after two inches or more of snow has fallen until the street has been completely plowed. In addition to any other penalties imposed for violation of this Section, the Chief of Police is authorized to cause any vehicle parked or left unattended in violation of this Section to be towed from the street at the expense of the owner of the vehicle.

Subd. 7. Permitted Parking Without Permits. Parking is permitted along the north and south sides of Maple Hill Road without a permit, provided cars are parked sufficiently off the road so as to provide a lane wide enough for the unimpeded passage of emergency vehicles. Snow regulations designated in Subd. 6 will apply to Maple Hill Road.

Subd. 8. Temporary No Parking Areas. The Chief of Police or his designee may designate temporary no parking areas within the City and may provisionally post these areas with a “NO PARKING” sign.

500.06. Penalty. Any violation of a provision of Section 500 or of the statutes adopted by reference in Section 500.01 is a misdemeanor except violations of the parking regulations in Section 500.05, which are a petty misdemeanor, and except as provided in Minnesota Statutes, Sections 169.89 and 169.891 regarding petty misdemeanors.
